

2010 ANNUAL REPORT

note from Arthur

From the very beginning of New River, God has been gracious to us. 2010 was an AMAZING and AWESOME year at New River. Over and over again we saw God do more in our lives than we could ask for or even imagine. The people at New River are part of the **greatest movement of God that I have seen in my lifetime**. I don't think I will ever comprehend why God saves, calls, equips, and empowers us. This Annual Report is a celebration of all that He has done in our church in 2010.

I believe it is a sin to treat Jesus' blessings in our lives as something ordinary, so instead we should honor Him for all He has done and is doing. We wanted to give you a few snapshots of the stories behind the move of God at New River.

To God be the glory! We're just getting started!
