

Event Registration Instructions

1. On the right hand side of the page click on the **"create an account"** button. Enter in all of **your** information.
2. Click **"create an account"** at the bottom. *Please be sure to write down your user name and password, you will use it in the future to register for other events AND you can use the same log in and password for online giving.*
3. On the next page, click the button **"add person"** for each member of your family. Even if they might not need to register for this event, it will be helpful for you to have them all there fore future events

Once all family members are entered, you are all set to start registering for the event.

1. Next to each person's name, there is a little green **"select"** button - click on that button next to the person you would like to register. Answer any questions as needed for that registration form, and that individual. Click **"continue"** at the bottom right.
